

Lord Sheikh  
House of Lords  
London

9<sup>th</sup> September 2021

My Dear Lord,

Greetings from London School of Management Education (LSME)!

It gives me great pleasure to express our sincere gratitude for very kindly gracing the Inaugural Ceremony of the LSME 8<sup>th</sup> International Research Conference on 'Sustainable Development and Education' on 26<sup>th</sup> August 2021. I am joined by the researchers, who presented their papers, the participants, the Conference Committee and the staff of LSME to extend appreciation for your words of wisdom and the learnings from the valuable experiences you shared with us all.

The Conference immensely benefited from your presence. It was a testament to your commitment to promoting sustainable development through education and research and your keen personal interest in furthering the cause of research in Higher Education.

We remain indebted by the kindness of Lady Sheikh and yourself for consistently taking part in our events and being part of our evolutionary journey.

As discussed, I will be happy to share the Conference Proceedings report and the Research Book as soon as they are published.

I look forward to seeing more of you and Lady Sheikh at our future events.

With kind regards.

Yours sincerely,

Dr Ravi Kumar  
**Executive Director**
